Open Enrollment is your opportunity to make changes to your health, dental and vision coverage for 2022. You may change health plans, add or remove dependents or waive coverage. If you take no action during Open Enrollment, your 2021 Health, Dental and Vision Care elections will roll over into 2022.

If you want to participate in Health Care or Dependent Care Flexible Spending Accounts in 2022, you must enroll even if you currently participate. To receive the 2022 Dependent Care subsidy, you must elect it during Open Enrollment.

New deductions for 2022 premiums (if applicable) will appear in your January 14, 2022 paycheck. Make sure to review your paycheck to confirm deductions are accurately reflected.

Enrolling is easy! Log on to www.rfsuny.org/selfservice, starting November 1. (For best results, use Internet Explorer.) If you're unable to enroll online, you can submit the proper forms to your campus Benefits Office.

Print your enrollment confirmation statement! Once you have made your elections online through Employee Self Service, print your confirmation statement for proof of your enrollment in the event of a discrepancy.

Reminder: If you are enrolled in an Empire PPO plan, you have two insurance cards. Empire cards are for medical coverage only. Please use your Express Scripts card at the pharmacy.

As you may recall, for this year (2021), your benefit deductions are taken out of 27 pay periods, which lowered your bi-weekly premium. For 2022, your benefit deductions will be taken out of the typical 26 pay periods, so your bi-weekly premiums may seem significantly higher due to this change combined with the annual premium increases.

Your Vision Benefits

You can keep the Regular Vision Plan at no cost or enroll in the Vision Plan Plus by paying the bi-weekly premiums. Both plans are administered by Davis Vision. You can use your current vision card to access your 2022 benefits. You may not change vision plans during the year.

Save Money with Flexible Spending Accounts

Important: To participate in an FSA in 2022, you must enroll – even if you’re participating in one now.

Health Care FSA

Pay for qualified medical expenses not covered by your insurance plan, such as copays or vision and dental services. You can use your PayFlex debit card to pay upfront for qualified medical expenses. For standard health care copays for prescription drugs, office visits or lab/X-ray services, you won’t have to submit a receipt. You will be notified if an expense requires documentation, and you must submit any requested documentation to keep your account active and avoid being taxed on unsubstantiated expenses.

2022 PRETAX CONTRIBUTION LIMITS	
Health Care FSA	\$2,750

Dependent Care FSA

Pay for employment-related dependent care services, such as preschool, summer day camp, before or after school programs, and child or adult daycare, for your children under age 13 or dependent relatives.

The RF provides an annual subsidy to your Dependent Care FSA, ranging from \$300 to \$800, based on your full-time salary. If you work part-time, your salary is converted to the full-time equivalent annual salary for purposes of the subsidy. **You must elect the subsidy to receive it.**

2022 PRETAX CONTRIBUTION LIMITS	
Dependent Care FSA	\$2,500 or \$5,000 (depending on your filing status; includes employer subsidy if you elect)

Plan Carefully

According to IRS rules, any money left in your FSA at the end of the year is forfeited. For the 2022 plan year, a grace period gives you until March 15, 2023 to incur expenses and until March 31, 2023 to file claims. Plan carefully to ensure you have the opportunity to maximize your FSA funds and avoid forfeiting them.

Annual Notices

Annual Notice of Women's Health and Cancer Rights Act

Did you know that the Women's Health and Cancer Rights Act of 1998 requires that all RF health plans provide benefits for mastectomy-related services?

Services include all stages of reconstruction and surgery to achieve symmetry between the breasts, fashion prostheses and correct complications resulting from a mastectomy, including lymphedemas.

For more information, refer to the Benefits Handbook, available from the RF Benefits website (www.rfsuny.org/benefits) under "Quick Links" or from your campus Benefits Office.

Reminder of Health Plan Privacy Practices

There is a "Notice of Privacy Practices" that describes how protected health information (PHI) may be used or disclosed by your group health plan to carry out payment, for health care operations and for purposes that are permitted or required by law. This notice also sets out legal obligations of the RF concerning your PHI and describes your rights to access and control it.

You can access this notice on the RF Benefits website (www.rfsuny.org/benefits *Health Insurance > Legal Notices*) or you may request a paper copy of the notice from your campus Benefits Office.

Availability of Optional Retirement Plan

As an employee of the Research Foundation, you can participate in the RF's Optional Retirement Plan without a waiting period. Your contributions to the plan reduce your taxable income by the amount you contribute, and earnings accumulate tax-free. The contributions are subject to the annual IRS limits. You may enroll or change your contribution in Employee Self Service (www.rfsuny.org/selfservice) or by completing the Optional Retirement Plan Salary Reduction Agreement and returning it to your campus Benefits Office.

Specialty Pharmacy Copay Assistance Program

The Research Foundation for SUNY is implementing a specialty pharmacy copay assistance program for PPO enrollees.

Please note that there are certain specialty pharmacy drugs that are considered non-essential health benefits under the plan and the cost of these drugs will not be applied toward satisfying the participant's out-of-pocket maximum. Although the cost of these drugs will not be applied towards satisfying a participant's out-of-pocket maximum, the cost of the drugs will be reimbursed by the manufacturer at no cost to the participant. A listing of these drugs can be found at www.express-scripts.com.

Copays for certain specialty medications may be set to the max of the current plan design or any available manufacturer-funded copay assistance.
