

## NOSE-TO-TOES KITS:

## Substitution...BOTH CAMPUSES

- CHG cloth packs will be distributed until 10/21.
- This interruption will be resolved by the end of this month (October 2019)
- An approved sub (blue Bath pack) which has an appropriate number of wipes for 1-complete bath.
- They may be placed in warmer and must be rotated just like CHG bath
- The sub does not have CHG
- For patients who require CHG (Central line, PICC, Foley, or pre-op) 4% CHG foam will be available

### Complete NOSE-TO-TOES KITS: LONGER INTERRUPTION

- This will be addressed by having individual kit items placed in a bag (CHG Bath, Nasal Prep, and Oral Care).
- Interruption of Nose-to-Toes kits will be resolved mid/end December

CURRENT SAGE: PRODUCT CODE #9011

REPLACEMENT: Individual Kits  
bagged items

**Robert Lubas from Sage will be on-site 10/21 thru 10/23 to coach staff through substitution & answer questions**
