OpenMarkets Health

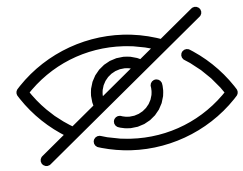

Agenda

- The strategic vision
- Introducing the USEL
- Implementation plan
- Q&A
- Next steps

The current challenges

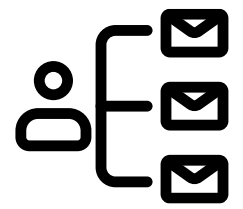

Break free from bottlenecks

Limited visibility into preferred manufacturers & approved products

Difficulty managing multiple vendor proposals

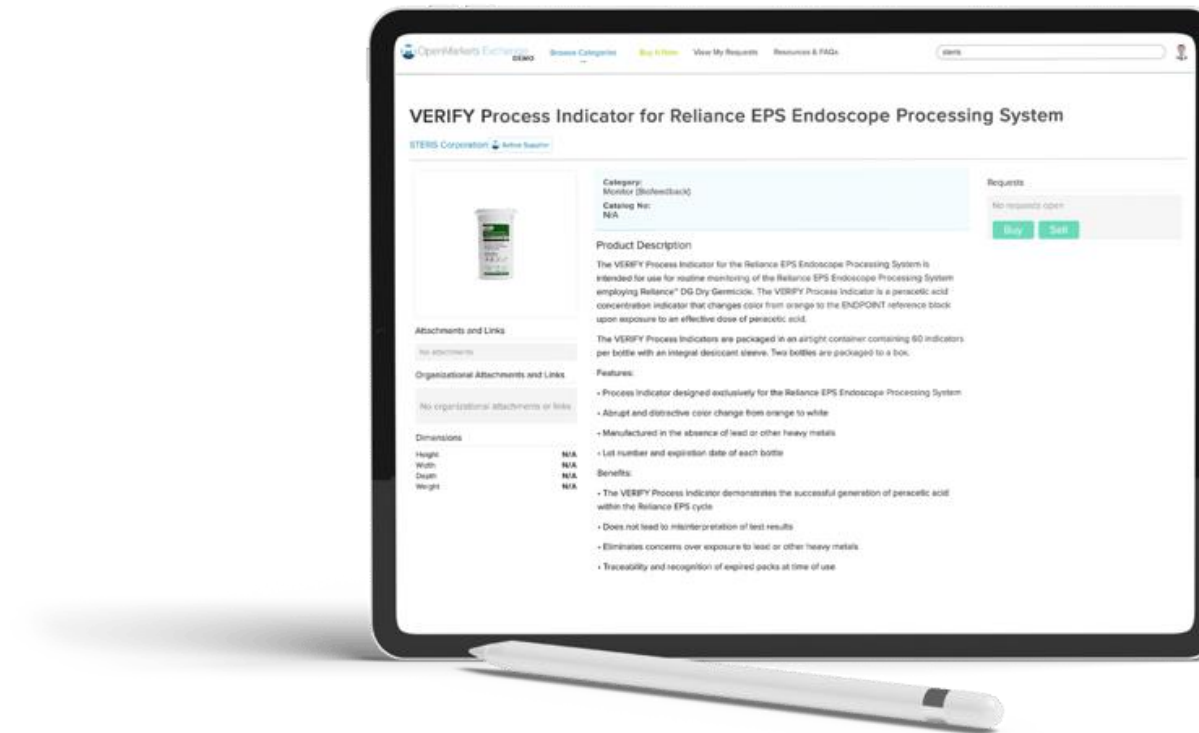

Communication challenges

The solution

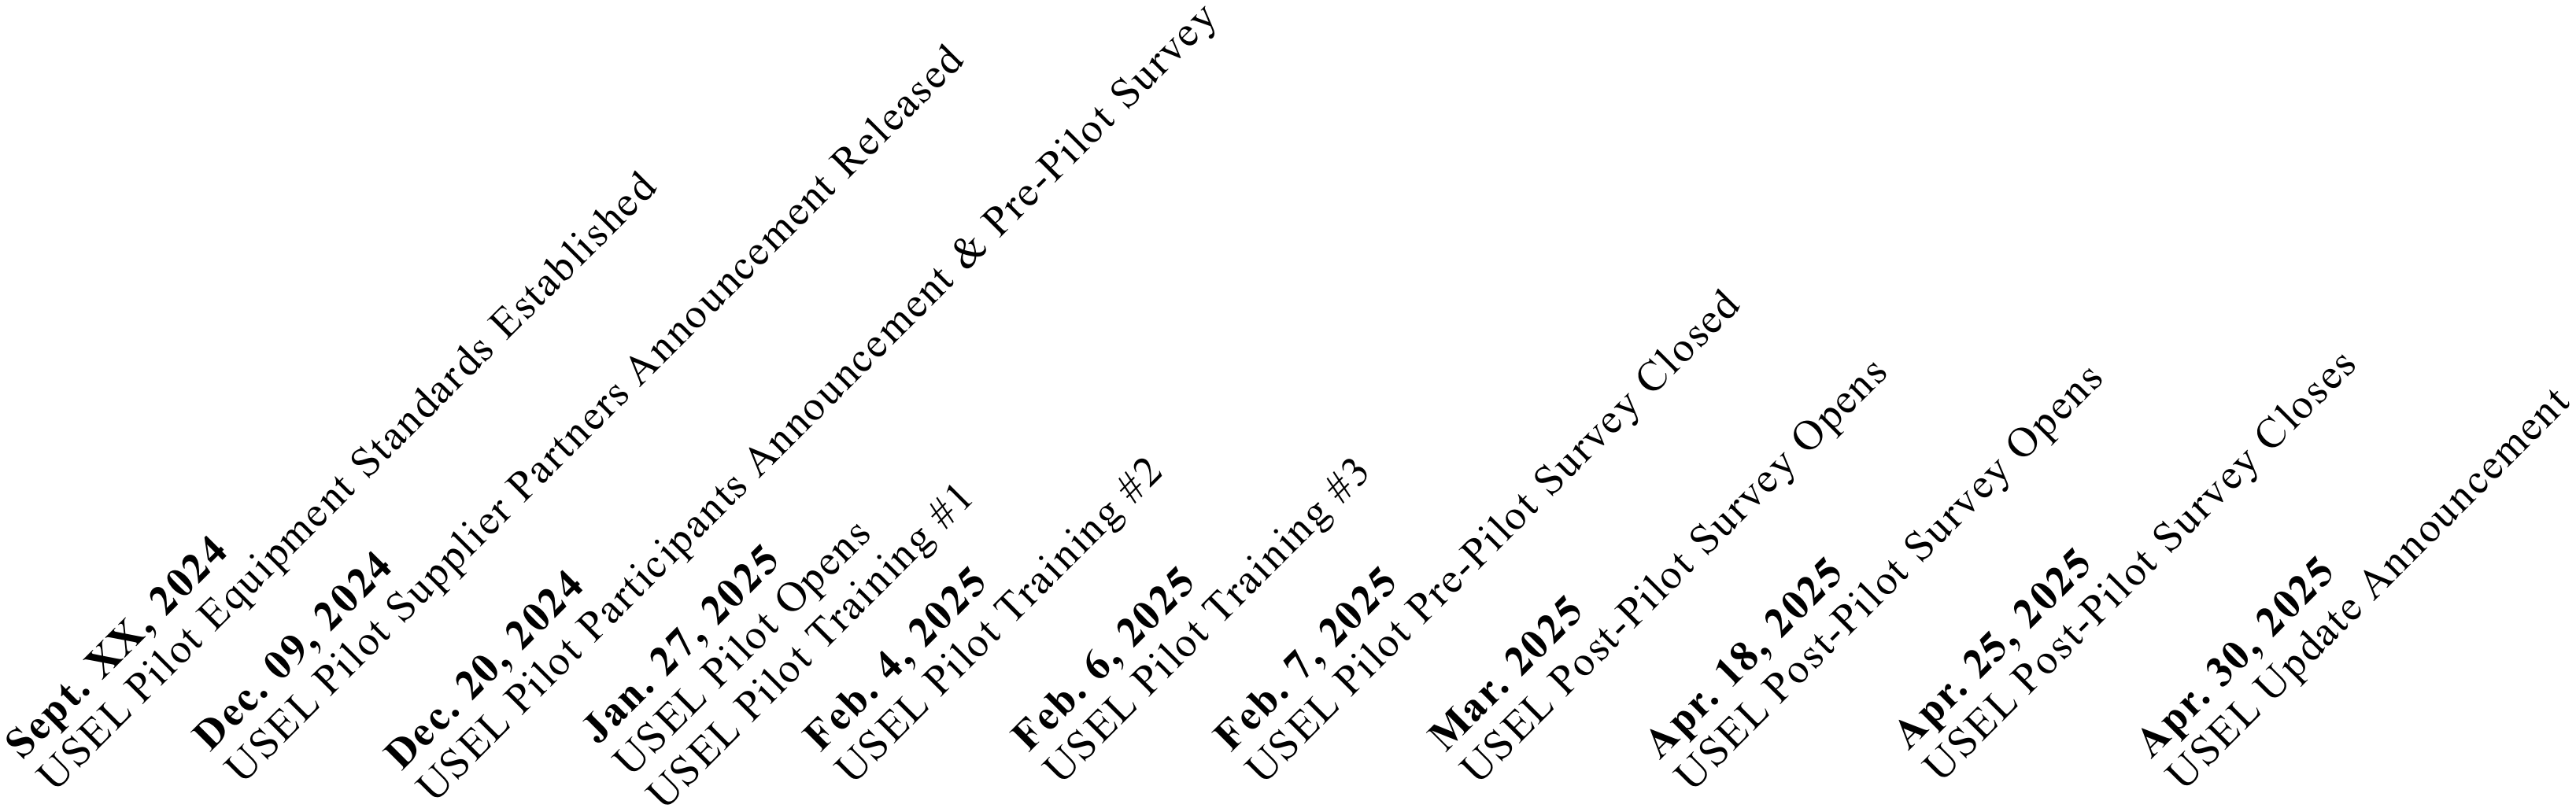

Upstate Standardized Equipment Library (USEL)

- Curated equipment library
- Automated quote request system
- Centralized communication and tracking
- Robust reporting and analytics
- Dedicated support team

The road ahead

Clear timeline, full support, shared success.

Next steps

Tracking progress, achieving goals.

Review available resources

- USEL User Guide
- USEL FAQs

Access and utilize USEL

- USEL SSO Guide

The resources listed are available [here](#).
