Title of Manuscript/Abstract/Poster:

List all authors in order of publication:

Place of submission (journal and/or conference):

Submitted Abstract:

1. Authorship Responsibility, Criteria and Contributions. The submitting author should meet all criteria below (A, B, C, and D) and should indicate general and specific contributions by reading criteria A, B, C, and D and checking the appropriate boxes.

A. [] I certify that

- the manuscript/poster represents original and valid work and that neither this manuscript nor one with substantially similar content under my authorship has been published or is being considered for publication elsewhere, except as described in an attachment, and copies of closely related manuscripts/posters are provided; and
• if requested, I will provide the data or will cooperate fully in obtaining and providing the data on which the manuscript/poster is based for examination by the editors or their assignees; and
• for papers with more than 1 author, I agree to allow the corresponding author to serve as the primary correspondent with the editorial office, to review the edited typescript and proof, and to make decisions regarding release of information in the manuscript to the media, federal agencies, or both; or, if I am the only author, I will be the corresponding author and agree to serve in the roles described above.

B. [] I have given final approval of the submitted manuscript.

Department of Medicine

C. I have participated sufficiently in the work to take public responsibility for (check 1 of 2 below)

- part of the content.
- the whole content.

D. To qualify for authorship, you must check at least 1 box for each of the 3 categories of contributions listed below. I have made substantial contributions to the intellectual content of the paper as described below.

1. (check at least 1 of the 3 below)

- conception and design
- acquisition of data
- analysis and interpretation of data

2. (check at least 1 of 2 below)

- drafting of the manuscript
- critical revision of the manuscript for important intellectual content

3. (check at least 1 below)

- statistical analysis
- obtaining funding
- administrative, technical, or material support
- supervision
- no additional contributions
- other (specify
