Bc: Beth Erwin

Message sent on behalf of Jarrod Bagatell, Medical Director of Employee Health...

We are critically short on small N-95 masks, so we are asking those who fitted small with a "one size fits all" 3M product.

Locations and times for mask fit testing:

- Week of April 6th: Monday - Friday, 6:00 am - 10:00 am or 2:00 pm - 6:00 pm, University Hospital 6E
- Employee / Student Health Office: Monday - Friday, 8:00 am - 4:00 pm, by appointment only. Please call Employee / Student Health at [315-464-4260](tel:315-464-4260) to schedule an appointment.

Please be mindful of maintaining social distancing at hospital fit testing locations. If there is a high walk-in volume at the hospital site, you may be asked to return at another time or to contact Employee / Student Health to schedule an appointment at the Health Office.

Your attention and patience regarding this matter is appreciated.

Thank you.

Amy Tucker, MD, MHCM
Chief Medical Officer
Associate Dean for Clinical Affairs
VP for Ambulatory Services & Population Health
