Subject: CMO BLAST: Town Hall on COVID-19 Vaccination Roll Out - Tomorrow 12.18.2020

Importance: High

We are excited that we now have COVID-19 vaccines on-site and we are in the initial phase of vaccinating our staff. New York State is very prescriptive about how vaccine administration is prioritized. Please join us for a Town Hall to describe the roll out strategy and address your questions. The session is at 3 pm on Friday, December 18th, and can be accessed at the following link:
