Subject: CMO BLAST: Don't Miss the 2025 Spring Cardiology Symposium, Featuring the NYCS/NYACC 52nd Annual Arvilla Berger Lecture on June 28, 2025!
Attachments: June 28 Arvilla Berger Lecture_.pdf
Importance: High

Hi, everyone:

Upstate Medical University Hospital is proud to host the inaugural 2025 Spring Cardiology Symposium, featuring the New York Cardiological Society (NYCS) / New York Chapter of the American College of Cardiology's (NYACC) 52nd Annual Arvilla Berger Lecture, on Saturday, June 28, from 7:30 am – 1:30 pm.

This event is made possible through the generous support of the Upstate Foundation, Inc., along with Crouse Hospital and the New York Chapter of the American College of Cardiology.

The symposium will take place in person at the Marriott Syracuse Downtown, with a virtual attendance option available via Zoom.

There is no registration fee, and attendees are eligible to receive up to 3.5 AMA PRA Category 1 Credits™.

This year's program includes:

- Continental Breakfast
- Panel Discussion: "Multi-Modality Imaging for Chest Pain Evaluation"
- Fellows Forum Rapid Fire Case Presentation Competition
- NYCS/NYACC 52nd Annual Arvilla Berger Keynote Lecture: "Evolving Therapies for Mitral Regurgitation: Clip or Snip?" by Dr. Judy Hung of Massachusetts General Hospital
- Buffet lunch to conclude the event

For full details, please see the attached flyer.

To register, please visit: <https://www.upstate.edu/cme/online-register.php>. Please use Chrome or Firefox and scroll to "2025 Spring Cardiology Symposium" in the Activity Catalog. If you do not already have an account, please select "I am a new user" to create one.

We look forward to your participation in what promises to be an engaging and educational event, bringing together leading voices in cardiology from across the region. Whether you join us in person or virtually, we are excited to share this inaugural symposium with you and hope it will be a valuable experience for all attendees.

Best,
Amy
