Subject: CMO Blast: Loss of one of our Upstate family

On behalf of Dr. Amy Tucker, Chief Medical Officer, Upstate University Hospital...

It is with great sadness that I share the news of Dr. Jessica Summer's death yesterday.

Dr. Summers' death happened quite suddenly and unexpectedly while she was at church. Words can't express what a tragic event this is for her family, friends, and all of us in her Upstate family.

We do not yet have details regarding a memorial service. We will update all of you as more details become available.
