Sent on behalf of Scott Jessie, Chief Nursing Officer, Upstate University Hospital...

To our outstanding Advanced Practice Provider team – You are an incredible group of dedicated, compassionate, and caring providers who make a tremendous difference in the lives of so many across CNY. Your efforts across essentially all specialties, in ambulatory and acute care allow us to keep moving forward and meet the ever growing needs of our region. As we continue to recover from the pandemic and see new trends in patient demand, and changes to our provider work force, you are stepping up and making a meaningful difference in our patients lives.

We thank you so much for what you do every day to make Upstate the region's leader and provider of choice. You are a special group of people and we are lucky to have you on our team

Thank you so much!

Scott
