**Subject:** CMO BLAST: Annual SwipeSense Badge Change-Out

**Importance:** High

**Sent on behalf of Paul Suits, Director, Infection Prevention...**

It's that time of year again! Infection Prevention is conducting their annual SwipeSense Badge Change-Out at Upstate University Hospital.

As in previous years, we are grateful to the Administrative Assistants of our Department Chairs for their help with distribution. **Please stop by your Department Chair's office to get your new badge.**

New badges will be activated on Wednesday, September 18, 2024. Badges can be changed out prior to next Wednesday as our Infection Prevention Team can conduct contact tracing via EPIC. Old badges can be placed in the battery disposal bins.

If you do not currently have a SwipeSense badge, please email your name, Upstate ID #, and unit/department to the SwipeSense team at [SwipeSense@upstate.edu](mailto:SwipeSense@upstate.edu) and a new badge will be made for you.

We will be repeating this process at Upstate Community Hospital in November 2024.

Best,  
Amy

Amy Tucker, MD, MHCM  
Chief Medical Officer  
Associate Dean for Clinical Affairs, Norton College of Medicine
