**12:15-1:15 p.m.**

Room 2231

Weiskotten Hall

Upstate Medical University campus  
766 Irving Avenue, Syracuse, NY

Presented by:

**Martha Wojtowycz, PhD**

*Associate Professor, Obstetrics & Gynecology and  
Public Health & Preventive Medicine  
SUNY Upstate Medical University*

### WHO SHOULD ATTEND

- Public health professionals
- Physicians
- Nurses
- Physician assistants
- Nurse practitioners
- Students
- Anyone interested in public health, community health, and prevention.

### OBJECTIVES

After the presentation, participants will:

- Explain the main features of the Affordable Care Act (ACA) that have already been implemented.
- Describe the impact of ACA on the uninsured and the underinsured.
- Identify the remaining access to care barriers.

The presentation is free and open to the public. For those who can't attend in person, register for our webinar at:

<https://www1.gotomeeting.com/register/560303585>
