**Nirav R. Shah, MD, MPH
Commissioner of Health
For New York State**

Program Objectives

At the conclusion of this event, participants will be able to describe:

- What the shift toward prevention means to the health care delivery system.
- Opportunities for Public Health to set the agenda in the era of clinical integration.
- How Public Health can be most effective in the era of the Affordable Care Act.

Disclosure: The speaker and planners for this activity have disclosed they have no financial relationships with commercial entities and will not discuss the off label use of pharmaceuticals.
