[NAB – New Academic Building:](#)

From the Main Downtown Lobby → Go through the silver double doors next to the main elevators. Continue straight down the hall. Go all the way to the end of the hall (there is a large elevator at the end but do not take it). Go through the last door on the left. Take the elevator to the 7th floor. Once getting off the elevator go to the right and go through the double doors (you will have to scan your ID badge on the black square to the right to get in). Follow the bridge to the end. Do NOT go through the double doors into Weiskotten. Instead, there will be a glass double door to your right, with another badge-swipe square on the right. Once you are through the double doors you are in the New Academic Building, on level L1. Follow the hall all the way around, and you will see a sign for an elevator. Take the elevator or stairs to the floor that correlates with the assigned room number.

Upstate Community Hospital (Community)

[CC3241:](#)

Take the Service elevators to the 3rd floor, step off the elevator going right and CC3241 conference room is right there.

[Community Room:](#)

Directly across from the cafeteria in the basement

[POB 2A:](#)

Go to Upstate Community Hospital (4900 Broad Road). Park in the parking garage and get to the 2nd level. Head straight in and down the hall entering the Physician Office Building South. Class will be in Suite 2A (Physician Office Building South)
