The Clinical Nurse Education department will be offering QCPR and Mandatory Skills Fairs in a location near you!

You can now complete your annual walk in QCPR skill session (approximately 30 minutes to complete) and any Mandatory Skills competency demonstrations (Phlebotomy, Blood Administration, Zoll- approximately 15 mins to complete each skill competency) in the same location, at the same time if convenient for you and your team needs.

***Please note the QCPR schedule for Inpatient and Cancer Center DT and CC staff vary from the annual requirement for all ambulatory staff**

Contact CPR@upstate.edu for CPR questions and Naquia Lacey at LaceyNaq@upstate.edu for questions concerning mandatory skills.
