

The CNY Regional Perinatal Program and Crouse Health Present:

A REGIONAL EDUCATIONAL EVENING MINISERIES

Inaugural Event | Tuesday, Jan. 15 | 4:30 - 8:30 p.m.

A Stimulating Educational Evening on Lactation and Human Milk Feeding

Marley Education Center | 765 Irving Ave. | Syracuse NY 13210

Agenda

- Registration – 4:30 p.m.
- Presentations and Discussions – 5 - 8:30 p.m.
- Light Dinner will be provided

Lawrence Kotlow, DDS, FAAPD, FABPD, MAID, Keynote Speaker

Dr. Lawrence Kotlow, a board-certified pediatric dentist will present a discussion on the way medicine and dentistry are merging in the care and treatment of infants and toddlers, including how healthcare professionals need to work together to help the breastfeeding dyad. The discussion will include the need to break down barriers to the proper assessment, diagnosis, and treatment of tethered oral issues.

Judith Gallow, RN-C, IBCLC, Clinical Educator, OB at Cortland Hospital

Ms. Gallow, from Cortland Regional Medical Center, a small community hospital in Upstate New York, will present their quality improvement initiative, featuring implementation of successful lactation support and improving exclusive breastfeeding rates.

Erin Christopher, RN, IBCLC, Lactation Services Supervisor at Crouse Health

Ms. Christopher will give a presentation on the use of supplemental nursing systems to facilitate the breastfeeding relationship and bonding.
