

In collaboration with The NY Children's Environmental Health Center, NYC Poison Control Center & The NYS Office of Cannabis Management :

The Upstate New York Poison Center presents **Health Education Webinar Series:** **Cannabis Use in Teens & Secondhand Smoke**

Presented by

**Travis Hobart, MD, MPH & Olivia
Malvasi, MPH**

CNY Children's Environmental Health Center

and

Mary Beth Dreyer, MEd

Upstate New York Poison Center Public Health
Educator

May 4, 2023

10:00 a.m. – 11:30 a.m.

Questions: dreyerm@upstate.edu

Participants will be able to:

- Describe the current epidemiology of teen cannabis use
- Review the effects of cannabis use on adolescents
- Identify the risks to children of secondary exposure to cannabis in the home through secondhand smoke and/or edibles
