

# POISON CENTER WEBINAR

REGISTER TODAY  
MARCH 11, 2020

The Upstate New York Poison Center in partnership with the Central New York Regional Center for Tobacco Health Systems at St. Joseph's Health announces a webinar for Health Care Professionals

## Treating Patients Using/Exposed to Nicotine from E-Cigarettes and Vaping Products

### Webinar Presenters:

Dr. C. Beth Gero, Ph.D, MA, CTTS, NCTTP (Program Specialist - CNY Regional Center for Tobacco Health Systems at St. Joseph's Health)

T Michele Caliva, MA, RN, CSPI (Administrative Director - Upstate NY Poison Center)

Patricia Bax, RN, MS, NCTTP, ACB (Marketing and Outreach Coordinator - NYS Smokers' Quitline)

### Webinar Outcomes:

1. Understand the working definitions of e-cigarettes and vaping products and current use of these products.
2. Identify the health effects of e-cigarettes and vaping products and tobacco dependence treatment guidelines for Health Care Professionals.
3. Develop an understanding of nicotine toxicity and the dangers associated, related to e-cigarettes and vaping products.
4. Expand awareness of e-cigarette or vaping-associated lung injuries (EVALI) and guidance for treatment.
5. Gain knowledge of resources available to e-cigarette and vaping product users, as well as to Health Care Professionals.

Wednesday, March 11, 2020 | 12:15pm to 1:15pm
