Pfizer Covid Vaccine Supply Update

EPIC SYSTEM UPDATE

Overview of Feature / Changes

A **new Pfizer Covid immunization** formulation is now available for use at Upstate - Pfizer SARS-CoV-2 tris-sucrose vaccine (Gray Cap). Note that the existing Pfizer Covid immunization, Pfizer SARS-CoV-2 Vaccine (Purple Cap) will remain available until all stock is depleted.

The correct immunization must be ordered for the appropriate NDCs to be available for selection.

See tip sheets for additional information:
