					Close Toolkit	

- 1. Use filter to view only questions that are flagged, unanswered, or answered.
- 2. Question numbers located on the left side.
- 3. Flag questions and highlight text.
 - Select text to highlight, then click highlight.
- 4. Time Remaining Clock
- 5. Question number you are on.
- 6. Zoom in and out of question attachments.
- 7. Go to next question button.
- 8. Exam Controls
- **Tools:** This is where you can view timers, adjust the text size, and view exam documents.
- **Question Attachment:** View the attachment associated with a specific question. Ability to zoom in and out of the attachment is available.
- **Calculators:** You have two calculator options available. The keyboard friendly version allows you to use your number pad.
- Notes: Leave question feedback here.
 - Type your feedback/challenge.
 - For the feedback/challenge to be included in the report that goes to Course Directors, you must click the 'REQUEST FEEDBACK' box.
 - If you would like an individual/direct response to your feedback, enter your email address at the end of the challenge statement.
