

4/13/2020 – Online / Remote Electives

Good afternoon,

As discussed during the student town hall meeting we have put together a list of potential electives that could be done in an on-line/remote setting.

There is potential for unique electives to be created. Given the circumstances we are waiving the requirement of submitting the unique elective application six weeks in advance. We will still need enough time to put the unique elective application through the approval process. The paperwork can be found here: https://www.upstate.edu/ume/courses/unique_electives.php

If you have any questions please do not hesitate to let me or Dr. Mason know.

Regards,
Susan Anderson
