

4/16/2020 – USMLE Step 1 testing

Dear MS2 students,

We are aware that today Governor Cuomo extended the NYS PAUSE order through May 15th. We are also aware of the limited test spots showing on the Prometric scheduling system. Prometric has not revealed anything about their response to this yet. We know that all of you are dealing with a lot of uncertainty about what this might mean for your Step 1 plans. Various people at Upstate are looking into this and we will let you know when we have more information and advice for you.

Stay safe and stay well,

Matthew D. Mason, M.D.
SUNY-Upstate Medical University
Assistant Professor, Pediatric Urology, Department of Urology
Assistant Dean for Clinical Sciences
