

**5/8/2020 – USMLE update - big news**

Dear students,

A big and exciting update was released this evening by USMLE. We are very happy to hear this news, and are willing to participate to allow you all increased testing options. We have informed USMLE of our willingness to participate and will do everything we can to do so.

We will continue to keep you all posted as we find out more.

Sincerely,

Dr. Mason, Dr. Lesperance, Dr. Cleary, Dr. Chin, and the members of the Upstate USMLE COVID task force
